

THE QUICK INTRODUCTION / 1 PAGE

Quality by Nature. Trusted by Proof.

We make Canadian white honey easier to trust, move, and share with the world by pairing its quiet quality with the proof serious buyers deserve.

Clear origin. Informed buying.

Canadian white honey for the people who make, pack and bring good things to market.

START WITH THE RIGHT LOT	PRELIMINARY BUYING SUMMARY
Product / origin	2026 Canadian white bees' honey / bulk drums.
Colour / moisture	Maximum 25 mm (scale to confirm) / maximum 18.6%. Specification limits, not measured results.
Collection / packaging	Rapid City, Manitoba, Canada. Individual drum weights and liner details to confirm.
Quantity / minimum order	700 barrels available. Minimum order and individual net weights confirmed per offer.
Samples / dispatch	Availability, sample costs and lead time agreed before shipment.

Proof before purchase. Request lot-linked laboratory results, sample and drum identification, and relevant certification evidence. The source requires C3/C4, LC-HRMS and NMR screening; actual reports and True Source status remain to be verified.
